FLOORING

CLICK-N-LOCK® TILES

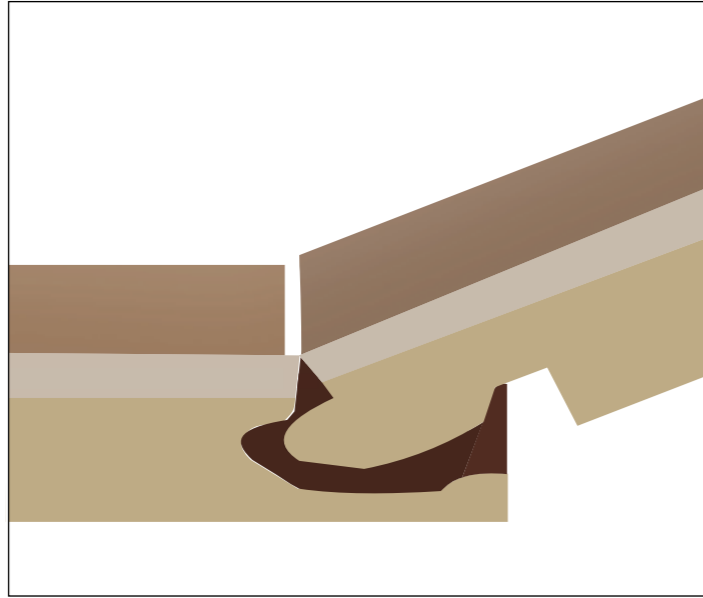

Click-N-Lock® Tiles are a revolution in flooring, thanks to the innovative Wel-Lock™ Technology. A tile that is renowned over the world, now in India. The internationally acclaimed cutting edge technology enables the tiles to be laid with minimal effort and expertise. With a wide range of designs, these tiles are quite a showstopper and are sure to elevate any space to give you a complete Floor Makeover In A Day*.

The main content in our Click-N-Lock® Tiles is its Stone Polymer Composite (SPC) core. The tiles come with the best in class strength, UV resistance along with being waterproof. These tiles are also thin and light without compromising on strength and durability of the locking mechanism.

*T&C apply

Wel-Lock™ Technology

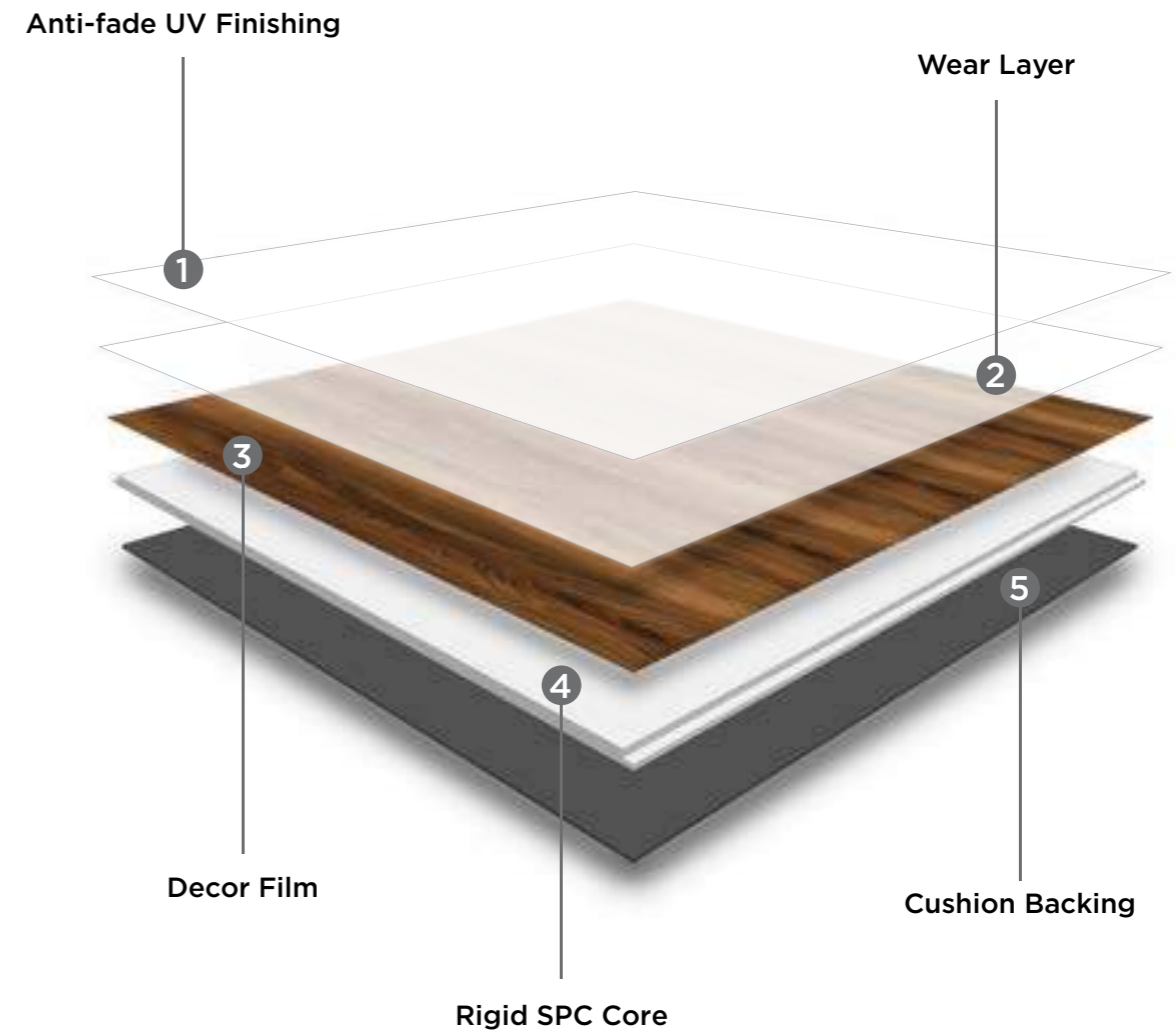

Our Click-N-Lock® Tiles comes with Wel-Lock™ technology which allows the tiles to fit into one another in a unique locking mechanism which obviates the need for glue and cement, making the installation process dust and noise free. This ensures strong locking at the joints and makes the installation a quick and effortless process.

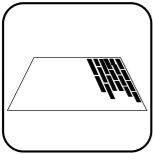

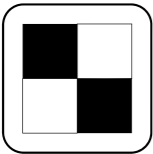

It also ensures that you get a grout-free, beautiful and seamless look on the floor. It's not just a lock, it's Wel-Lock™!

Structure

Click-N-Lock® Tiles combines the strength of stone with a multi layer design and a unique construction that offers durability and strength and also resist wear to retain a luxurious look for years. Click-N-Lock® Tiles features include waterproofness, shatter, scratch and stain resistance.

Why Click-N-Lock® Tiles ?

 <p>Can be installed on existing floors</p>	 <p>Quick Installation</p>	 <p>Noise Free Installation</p>	 <p>Dust Free Installation</p>

	Black	HFSK00010	HFQR00010	HFTM00010	HFRD00010
	Almond	HFSK00011	HFQR00011	HFTM00011	HFRD00011
	Hazelnut	HFSK00012	HFQR00012	HFTM00012	HFRD00012

Reducer

Used to join two edges of unequal heights, these reducers do the perfect job in joining the tiles to the base floor seamlessly.

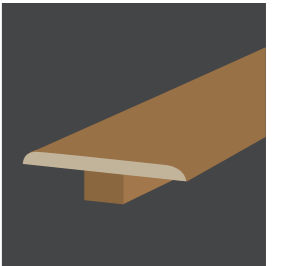

Size: 45mm (W) x 2400mm (L)

T Mould

T-Molding accessories are designed to join two different tiles together.

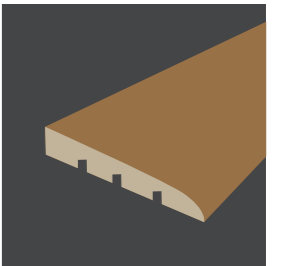

Size: 45mm (W) x 2400mm (L)

Skirting

To create beautiful transitions from the tile edge to the wall, Skirting are made from Stone Polymer Composite and comes in 12 solid colors.

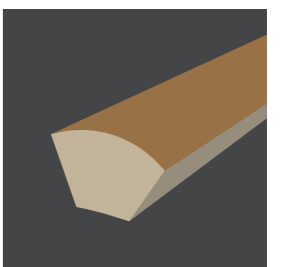

Size: 60mm (W) x 2400mm (L)

Quarter Round

Quarter Rounds come in 12 solid colors. They are used to join the edges of the floor to the wall.

Size: 26mm (W) x 2400mm (L)

COLLECTIONS

ARISTO:

The lap of royalty at the pinnacle of craftsmanship. The Aristo Collection always adds a sense of distinction to your floor, unlike anything you have ever seen. These selections are the finest of our collections. The taste of exquisiteness and elegance is evident with every look and feel of the Aristo Collection. If exclusivity is what you are looking for, then you have arrived at the right place.

Carefully curated with flawless attention to detail, the wooden finishes of the Aristo Collection are impeccably rich in texture and look just like natural wood. The Aristo Collection is the amalgamation of royalty and exclusivity. Truly a masterpiece that makes any space stand out.

EDEN:

Introducing the modern touch. It is true that when it comes to designs, contemporary looks are hard to ignore. And the same holds for Eden Collection. These fine tiles, speak for themselves with their distinct finishes. If you want the elegance of traditional wood with its rich and natural textures, then the wooden finish of Eden Collection should be your choice. These carefully crafted designs come with a wide range of wooden finishes from dark to light shades to satisfy all your exquisite needs. And if you want to bask in the sophistication of the modern designs, then the stone finish from Eden Collection is what you need. With the Eden Collection, these designs have been reimaged to a whole new level.

BLISS:

There is a reason why classic wood and stone finishes have never gone out of fashion. It's because they are so elegant and pleasing to the eye. If you have a taste for such an exquisite style, our Bliss Collection has you covered. Experience the beauty of real stone under your feet with our stone collection and the rewards of wood, without its flaws in our wood collection.

Trademarks & Technologies

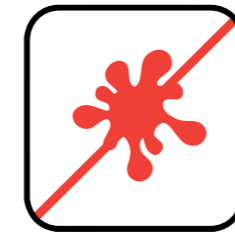

FloorNdure™

Welspun Flooring's Click-N-Lock® Tiles with FloorNdure™ technology come with solid durability that lasts for long periods of time. Tiles that are meant to really go the distance, FloorNdure™ ensures tiles don't break or buckle raising the bar when it comes to everlasting durability. And why not? After all, flooring is where the foundation of a home is.

ScrapeGuard™

Floors in our homes, go through several everyday scratches and scrapes ScrapeGuard™ technology uses a layer with UV coating on our Click-N-Lock® Tiles, that offers protection to the design underneath from scuffs and scratches meanwhile retaining the look and longevity of the tile. So, you can say goodbye to the everyday scratches and scrapes.

StainProtect™

Stains and spills are unavoidable on the floors of our homes and some stains can leave behind a permanent mark. But with StainProtect™ technology on our Click-N-Lock® Tiles, you will leave a lasting impression but not marks. StainProtect™ layer is specially designed to offer superior stain resistance, to keep your floor always clean and sparkling. Now, go and make that splash!

CushionBacking™ (Optional)

Quiet homes add to our mental comfort & tranquility. CushionBacking™, a superior backing technology ensures that with our Click-N-Lock® Tiles, you experience quieter floors. The superior backing applied under the tiles provide acoustic absorption, reducing the feet tapping and providing sound insulation. Talk about Zen flooring!

HealthyFloor™ (Optional)

Health of our loved ones come first. That is why it is very important that we keep our homes clean and germfree. To fight against these invisible forces of nature, Welspun Flooring's Click-N-Lock® Tiles come with the innovative HealthyFloor™ technology, which restricts the growth of harmful germs or molds on the floor. Healthy homes, begin with healthy floors.

Wel-Lock™ Technology - Manufactured under licensing from Välinge.
